VINYL TAPE
SUPERIOR QUALITY SPVC

Our Vinyl Tape is a soft-PVC film coated tape, with a rubber-based pressure sensitive adhesive.

Used for industrial identification, color coding, and pipe wrapping purposes;
it not only works well up to 140°F but the adhesive is non-corrosive.

Perfect for floor/aisle/lane marking, and is available in a variety of OSHA-compliant colors.

Effectively utilized for metal plating/anodizing masking, harness/pipe wrapping, and
duct/joint sealing; our Vinyl Tape provides a very effective vapor and moisture barrier.

Highly conformable and resistant to aging, sun, water, fungus, bacteria, oil, acids, alkalis, and
corrosive chemicals; and, provides good abrasion, impact, and rupture resistance.
